

BURSARY FUND

The encouragement and assistance that bursaries have given talented students in their pursuit of artistic studies is immeasurable. All donations to the Bursary Fund will be gratefully received and carefully allocated. "In Memoriam" cards are sent to the bereaved and receipts for income tax purposes are issued to the donor. Details of the bursaries will be printed in the programme. The bursary awards will be presented at the Honours Performance and you will be notified of the winner of your bursary shortly afterwards.

For further information, send us a message via our [Contacts](#) page.
